[Looks like I'm famous. CNN, if you think I'm scared, think again.](#)

posted 1 hour ago by [AllyInAsia](#) +125 / -1

In case you haven't heard, I got featured on CNN recently.

<https://imgur.com/a/oFpUICT>

And some morons on here have been asking me what I have to say for myself. Well here it is:

I STAND BY WHAT I SAID, MOTHERFUCKERS! IT'S TRUMP OR WAR! AND THEY HAVE CHOSEN: WAR!!!

But honestly, do you really think they *wouldn't* try to shut us down either way? Do you really believe that, if I hadn't said what I said, they *wouldn't* try to shut us down? The FBI labelled Qtards "domestic terrorists", and Big Tech and the MSM have been trying to shut them down for months! All for what? For saying "trust the plan"?

C'mon, you knew they were going to smear us. They've been smearing us for years. This is nothing new. Get ready to fight to stay online. Get ready to go offline.

And that brings me to the guys accusing me of being a glowie or a shill.

No, I am not a glowie, I am not a shill. I am a real Asian Trump supporter. Been so since late 2017, after I saw Trump do an amazing job in his first year of being in office despite all the shit the MSM and Congress put him through.

I'm mad - real mad - but I didn't want war. It was thrust upon us, whether you recognize it and admit it or not. Hide behind language like "Minecraft" all you like, but this is war, and there are no rules, there is no fairness. The MSM, the Deep State, and the CCP all know that. Just look at what they did with not objecting to the fraudulent electors because of "this unprecedented attack on this sacred temple of our democracy." Bullshit. Because a bunch of Trump supporters stormed the Capitol, the fraud never happened? Bullshit. This ain't fair, but there was never any fairness to begin with. Such is war.

Having said all that, I understand that TD.W might not want to have me as a liability to them. I don't want to delete my account or my posts, for reasons of free speech and not erasing history. But like I said, this is war, and if the mods really think that erasing all this will help with the war effort, so be it. I respect them enough to fully support them and comply.

Free speech ain't free. War ain't fair.

Agree. But there are many ways to fight a war. China has been behind the unrest, I have no doubt.

Fuck cnn but you are pushing their narrative with inciting violence and hostile take over, its playing right into their hand. This is a Geopolitical war game for freedom and playing into their hand that a certain party wants to incite violence does not work when the media is using us capital as reichstag building false flag and pushing their narrative with comments like yours showing that we are extremists. i suggest deleting the post and moving on, we are all here because we see whats going on and want the same thing. focus on the objective and not how they wronged you in the past.
